

FRANCE & COLONIES PHILATELIC SOCIETY

Winter Auction : 29 January 2022

Requests for viewing of individual lots by email scans to be sent by 15 January to **David Parmley** (Members will find David's details in the December Journal) Enquiries welcome, preferably via e-mail dparmley@jhgl.co.uk or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 51 bidders and 43% of lots sold. For this renewal 14 vendors have entered over 750 lots with around 250 colonial items and around 100 lots of postal history plus the re-listed George Nash items to keep you busy over the cold days. Please note there will be no unsolds offered as there is so little interest and the process only serves to delay closure and pay the vendors. Please see the notes after the listing.

The late George Nash, who was the longest enrolled member of the Society, bequeathed his collection of adhesive stamps and postal history to the Chichester & District PS and the FCPS is selling it on their behalf. The first part of this auction is comprised of items selected from the collection which were unsold in the previous auction and now offered at 50% of original reserves. It is hoped that this will enable members of both Societies to augment their collections at a reasonable cost
