

# FRANCE & COLONIES PHILATELIC SOCIETY

## Winter Auction : 28 January 2023

Requests for viewing of individual lots by email scans to be sent by 7 January to **David Parmley** members will find my address in the December Journal. Enquiries welcome, preferably via e-mail [dparmley@jhgl.co.uk](mailto:dparmley@jhgl.co.uk) or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 47 bidders and 31 % of lots sold. For this renewal 11 vendors have entered over 670 lots with around 180 colonial items and around 80 lots of postal history. Over half is new material and the re-offered items have generally been discounted significantly. There are some interesting collections to consider and there is a large selection of dated corner blocks. So plenty of interest. Please note there will be no unsolds offered as there is so little interest and the process only serves to delay closure and pay the vendors. Please see the notes after the listing.

A photograph of an antique envelope. The address is written in cursive ink at the top left. A large circular postmark from 'MILANO' is stamped in the center, with the date '15 6' below it. To the right of the postmark, there is a red rectangular stamp with the words 'VIADU' and 'CHIASED'. At the bottom right, another red circular postmark is visible, with 'PARIS' at the top, '10 JUN' in the center, and '1866' at the bottom. The envelope shows signs of age and wear.

A vintage postcard with a light beige background. At the top left, the word "Par Avion" is written in cursive. The top right corner has a small "FDC" (First Day Cover) stamp. Along the top edge, there are three rectangular airmail postage stamps. The first stamp is blue and depicts a landscape with mountains and a river, with the value "25" and the word "MAROC". The second stamp is red and shows a cityscape with a minaret, with the value "150" and the word "MAROC". The third stamp is also red and shows a similar cityscape, with the value "150" and the word "MAROC". Each stamp has a circular postmark from Rabat, Morocco, dated "15-12-1950". Below the stamps, the postcard features handwritten text in black ink. It starts with "Mr H.R. Hollowood" and "c/o Mr W.A. Shepherd", followed by the address "9. Albert Square" and "MANCHESTER". A large, stylized "Angleterre" is written below the address. In the bottom left corner, there is a small triangular logo containing a stylized letter "A". At the very bottom, there is a white rectangular box containing auction information: "FCPS auction 28/1/2023", "LOT 405", and "Reserve GBP38". To the right of this box is a red rectangular stamp with a white bird emblem and the words "PAR AVION".

<b>A COUPLE OF LATE LOTS IN THE STOP PRESS</b>

With the long Winter nights rapidly approaching there is every opportunity to peruse the catalogue closely and pick out the bargains to enhance your collection. I think most tastes are catered for except a turkey dinner and they are being touted as in short supply, even if we have the gas or electricity to cook them. The good news is that the catalogue can be read by candlelight and that will add to the romance, exploring france and its Empire to find those elusive items. I do hope the above will assist in filling gaps or offer new avenues to pursue.
