

FRANCE & COLONIES PHILATELIC SOCIETY

Late Summer/Autumn Auction : 18 September 2021

Requests for viewing of individual lots by email scans to be sent by 1 September to **David Parmley** Enquiries welcome, preferably via e-mail dparmley@jhgl.co.uk (Members will find David's details in the August Journal), or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 57 bidders and just under 50% of lots sold. For this renewal 11 vendors have entered over 750 lots with over 200 colonial items and around 300 lots of postal history to keep you busy during the Summer. Please note there will be no unsolds offered as there is so little interest and the process only serves to delay closure and pay the vendors. Please see the

notes after the listing.

Colour images of the illustrated pages may be viewed on the website at <https://www.fcps.org.uk/index.php/auctions>

The late George Nash, who was the longest enrolled member of the Society, bequeathed his collection of adhesive stamps and postal history to the Chichester & District PS and the FCPS is selling it on their behalf. The first part of this auction is comprised of items selected from the collection and offered at attractive reserves. It is hoped that this will enable members of both Societies to augment their collections at a reasonable cost
