

FRANCE & COLONIES PHILATELIC SOCIETY

Summer Auction : Saturday 1 June 2019

Requests for viewing of individual lots by email scans to be sent by 28 May to **Steve Ellis**, preferably via e-mail steve@homestead75.co.uk or by phone 01782 208669.

Another bumper auction. Please note that postal history and stamps (the main categories) appear in several sections so do read the full catalogue. Unusually strong in tax stamps this auction, some good early postal history, much at quite low reserves, plus some first flights which we haven't had for some time. Enjoy! A reminder that unsold lots are posted on the website a week after auction closes. Send your surplus material for sale: less common items particularly likely to sell.
