

FRANCE & COLONIES PHILATELIC SOCIETY

Autumn Auction : Saturday 29th September 2018

Requests for viewing of individual lots by email scans to be sent by **26 September** to **Steve Ellis**, Enquiries welcome, preferably via e-mail Steve@homestead75.co.uk or by phone 01782 208669.

Another strong selection of both postal history and stamps – the latter Colonial as well as French. Some interesting items in the various special postal history sections – check out the Franco-Prussian War & the Moveable Box in particular. It's taken me a fair amount of time to sort the lots into order & type the catalogue - please take the time to look carefully through it. There's something for everyone.
