

FRANCE & COLONIES PHILATELIC SOCIETY

Late Summer/Autumn Auction : 16 September 2023

Requests for viewing of individual lots by email scans to be sent by 31 August to **David Parmley** (Members will find David's details in the August Journal) Enquiries welcome, preferably via e-mail dparmley@jhgl.co.uk or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 35 bidders and 34 % of lots sold. For this renewal 8 vendors have entered 625 lots with around 290 colonial items and around 260 lots of postal history as well as a wide variety of literature. Over 60 percent is new material and the re-offered items have generally been discounted significantly so plenty of interest. Please note there will be no unsolds

offered as there is so little interest and the process only serves to delay closure and pay the vendors. Please see the notes after the listing.

CANCELLATIONS

The "ligne" cancellations, applied as entry marks at Marseille and introduced from 1880, were continued into the twentieth century until 1912. The standard small circular cachet for Bone was replaced with a larger one in 1892 "LIGNE DE BONE / MARSEILLE". Those for Alger, Oran, Philippeville and Tunis remained unchanged.

"MARSEILLE / LIGNE D'ALGER".

"MARSEILLE / LIGNE DE TUNIS".

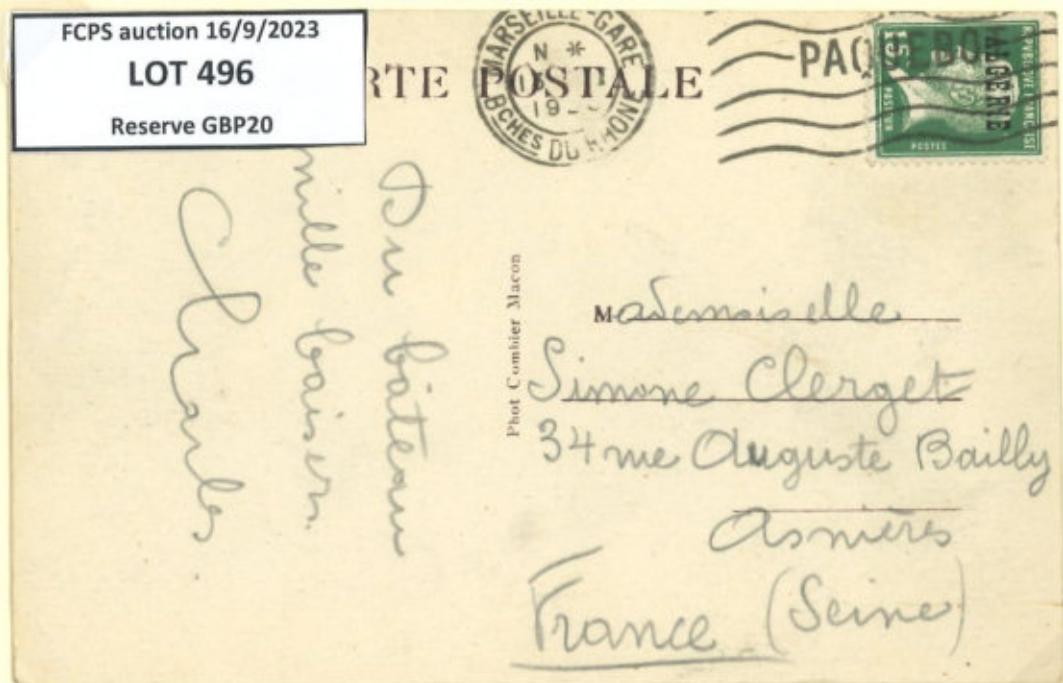

"LIGNE DE BONE / MARSEILLE".

MARSEILLE - MOROCCO

Renamed Compagnie Navigation Paquet in 1913, this company had been established in 1863 as Cie. De Navigation Marocaine in order to trade with Morocco, and began operating a regular service to Tanger and Casablanca. The two postcards of vessels of the Paquet fleet have been sent from both these locations to mainland France. The lettercard has a paquebot cancellation "PAQ." In a circle which was applied at the French post office in Tanger.

Postcard of vessel 'Abda', with 'TANGER' overprint adhesive, cancelled "TANGER / MAROC"

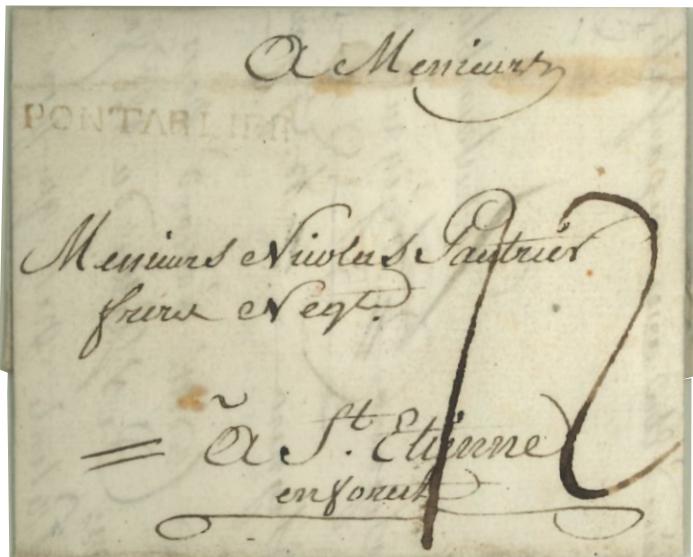

Postcard of vessel 'Djenne', sent from Casablanca to Marseille – slogan cancellation.

Lettercard from Tanger to Paris. Paquebot cancellation in use 1908-15, applied at Tanger.
