

Spring Auction : 17 May 2025

Requests for viewing of individual lots by email scans to be sent by 1st May to **David Parmley** whose address members will find in the current Journal. Enquiries welcome, preferably via e-mail dparmley@jhgl.co.uk or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 61 bidders and 28 % of lots sold. For this renewal 9 vendors have entered 1259 lots (less some marked sold) of which 36% (455 lots) is newly listed and the re-offered items have generally been discounted significantly so plenty of interest. Please note there will be no unsolds offered as there is so little interest and the process only serves to delay closure and pay the vendors. Please see the notes after the listing.

Please note for the avoidance of doubt that the Noel references are taken from the Editions Andre Rupp publication Entrance Stamps in France From Europe 1800-81 published in 1993. This was kindly loaned by a member and is the most up to date edition I have to hand. It may well be that during the 30 years elapsed that prices have been re-aligned so please do not hesitate to enquire for negotiation if you feel that an item has been mis-priced. Mail from outside Europe has not been referenced as the available catalogue I have covering this is a 1957 edition.

Entry marks – GB mail franked with adhesives

The value in these items is generally derived from the adhesives used and as these are priced on cover by SG I have taken that as the basis for pricing
