## Autumn Auction : 28 September 2019

Requests for viewing of individual lots by email scans to be sent by 26 September. Enquiries welcome, preferably via e-mail [Steve@homestead75.co.uk](mailto:Steve@homestead75.co.uk) or by phone 01782 208669.

**Once again, some high quality postal history and stamp lots, including Colonies. Reluctantly, due to increasing duties with some charities I am involved with, this will be my last auction. I've been at the helm for 23 auctions in 8 years with 10972 lots. But the good news is that I'm passing on the baton to David Parmley after this auction. Thank you buyers and vendors for your support and keep adding to your collections – the variety of material we offer never ceases to amaze me!**
