

# FRANCE & COLONIES PHILATELIC SOCIETY

## Summer Auction Saturday 2<sup>nd</sup> June 2018

Requests for viewing of individual lots by email scans to be sent by 31 May to **Steve Ellis**, Enquiries welcome, preferably via e-mail [Steve@homestead75.co.uk](mailto:Steve@homestead75.co.uk) or by phone 01782 208669.

**Another strong selection of 'colonial' material to start off with. Military mail is also represented well in this auction – both within the various colonial groups and also in its own general section. There's lots of early pre-stamp postal history in nice condition & a selection of quality early stamps re-offered at a 20% discount. Remember that in the event of tied bids it is the first one received that wins.**
